

DECODING CUSTOMER VALUE

EXECUTIVE SUMMARY

00 BUSINESS OBJECTIVE

Assess customer behavior patterns to determine which customers generate the greatest business value, identify segments at risk of churn, evaluate discount dependency, and recommend strategies for sustainable revenue growth.

01 KEY FINDINGS

4 SIGNALS

- 01 Potential Loyalists are the largest customer segment, representing the strongest growth opportunity.
- 02 Footwear demonstrates the highest customer loyalty and retention performance.
- 03 A significant At-Risk segment highlights the need for proactive retention efforts.
- 04 Geographic variations reveal untapped opportunities across underperforming markets.

02 STRATEGIC MOVES

4 ACTIONS

- ▶ Convert Potential Loyalists into Champion customers through targeted loyalty programs.
- ▶ Increase investment in high-performing product categories such as Footwear.
- ▶ Launch retention campaigns to reduce customer churn.
- ▶ Implement region-specific strategies to improve market performance.
